The information printed here reflects product design, fabrication, and component parts at the date of printing. The manufacturer reserves the right, at any time, to make changes in product design or material or component specifications as its sole option, without notice. This includes the substitution of components of a different brand or trade name, which will result in comparable performance. All information printed in this document is subject to change after the date of printing. Due to product improvements, changes during the model year and/or transcription errors that may occur, information represented within the owner's manual and/or this document may not be accurate at the time of your purchase. Please confirm any information with your dealer.

A transcription error was made in the Safety Seat Belt sub heading in Driving & Safety Section 2.

SAFETY SEAT BELTS

The original paragraph reads:

A child safety seat is required for a child:

- From birth to one year, or up to 21 pounds, the child is considered an infant. A (convertible) safety seat for an infant must be secured facing rearward. The top of the head must be below the top of the safety seat. *Secure safety seat harness straps at or above shoulders.*

The last sentence applies to Toddlers and Not Infants. This is the revised paragraph.

A child safety seat is required for a child:

- From birth to one year, or up to 21 pounds, the child is considered an infant. A (convertible) safety seat for an infant must be secured facing rearward. The top of the head must be below the top of the safety seat. **Secure safety seat harness straps at or BELOW shoulders.**

WARNING: Installation illustrations are for reference only and not to be used as an installation guide. Refer to the Safety Seat Manufacturers installation instructions.

Keep this revised paragraph and warning in the Owners Manual.
