

Fabric, Belts & Filters Charts Addendum

For Contessa 2009

The information printed here reflects product design, fabrication, and component parts at the date of printing. The manufacturer reserves the right, at any time, to make changes in product design or material or component specifications as its sole option, without notice. This includes the substitution of components of a different brand or trade name, which will result in comparable performance. All information printed in this document is subject to change after the date of printing. Due to product improvements, changes during the model year and/or transcription errors that may occur, information represented within the owner's manual and/or this document may not be accurate at the time of your purchase. Please confirm any information with your dealer.

The following information supercedes previous information and applies to all motorhomes equipped with a Roadmaster Chassis.

©Monaco Coach Corporation. All rights reserved. All other trademarks or registered trademarks are property of their respective holders. Brand name products of other companies mentioned in this addendum are not endorsed by Monaco Coach Corporation.

Disregard the following information from the 2009 Contessa owners manual pertaining to the Belts and Filters. This information is located in Section 10, page 261. Use the following Belt and Filter information.

Disregard the décor fabric charts. This information is located in Section 3, pages 68-71. Use the following décor fabric charts.
